### EXPLANATION

1. The Christian name appearing alone in brackets is the name of spouse.
2. In some cases the designation, widow, has been omitted by request.
3. Names between borders are those of firms which subscribe to or advertise in this City Directory. Names in capital letters are those of proprietors, partners or executives of these firms.
4. Business firms which are individual proprietorships or partnerships are indicated by listing the names of the owner or partners in brackets: Plaza Groceries (John B. Scott, Wm. Noble). Conversely, a firm name in brackets after an individual's name indicates that he is an owner or partner in the firm.
5. The householder or head of the house (owner or tenant) is indicated by h preceding the street address. Other members of the family, roomers and boarders do not have this designation. To determine whether the householder is owner or tenant, refer to the pink section, where home ownership is indicated by an asterisk (\*).
6. The information in this directory has been gathered from original sources and the Publishers have made every effort to ensure completeness and accuracy. They cannot guarantee the complete absence of errors and assume no responsibility therefor. ## OUT OF SIGHT . . OUT OF MIND . . OUT OF BUSINESS!

The importance of keeping firm and product names in the public eye is recognized by all businessmen. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. **INSIST** on being well represented in its pages.

## HERE'S HOW

Capitalize on New customers' enthusiasm

Obtain better prospects

Reduce travel time

- 1 When someone buys your product or service, they become the greatest advertiser you can possibly get because: They are using your product or service . . . they are enthused . . . they know all about you, your product, your company . . . they like you . . . they are talking about you and your product! You can capitalize best on this satisfied customer's enthusiasm by contacting his neighbours who are hearing about you and seeing your product in use. These neighbours are . . .
- 2 Better prospects! They want new things too . . . they want to keep up with the neighbours . . . they are in a buying mood! Contact them while your satisfied customer is talking about you . . . while his enthusiasm is highest. He can help you sell!
- 3 Turn costly travel time into productive selling time by concentrating your efforts on people who are ready-to-buy . . . THE NEIGHBOURS of your satisfied customers!!
